MS. CHARISH MALABUYOC  
Hiring Manager  
OpenIT Company, Inc.  
Batangas City

Dear Ms. Malabuyoc,

I'm writing to express my interest in the position of Front End Developer in your Company.

Having recently obtained my Bachelor's Degree in Information Technology major in Web and Mobile Application Development (BSIT3) in the College of Sciences Technology and Communication, Inc. (CSTC), I wish to bring my Knowledge, skills, and commitment to excellence to your company's innovative environment.

As an Information Technology student majoring in Web and Mobile Application Development, I've become equipped with the necessary knowledge that comes with the position, including detail-oriented, Interpersonal skills, Leadership skills, and Organizational skills, as well as legal provisions and other labor concerns.

My Internship at Security Bank Corporation also afforded me the crucial skills to work with some of the best professionals in the programming and leadership skills industry. I'm confident enough to contribute to my best ability to the company's vision of producing excellent quality.

I have attached my resume for reference, which includes my application letter. I hope you find my qualifications adequate; I'm willing to call for an interview at your most convenient time.

Thank you for taking the time to consider this application.

Sincerely,  
Mairelle Castro
